

Wapello Rural Water Association Boil Water Advisory Lifted

Customers of the Wapello Rural Water Association were notified on 09/15/2021, of a pressure loss in our system and were advised to boil their water before using for drinking. We are pleased to report that the work has been completed and the bacteria samples were satisfactory. **It is no longer necessary to boil your water before use.** We apologize for any inconvenience and thank you for your patience.

You may contact water operator, Dan Westegard at 641-682-8351 with any comments or questions.

This notice is being sent to you by the Wapello Rural Water Association .
